The return is a requirement of the *Local Government Act 1995* and its Regulations and is prepared for the Minister for Local Government in an approved form. The return covers the period 1 January 2023 to 31 December 2023.

There is a statutory requirement to have the compliance audit reviewed by the Audit and Risk Committee and then adopted by Council. Once adopted, it will be certified by the Mayor and Chief Executive Officer and forwarded to DLGSC prior to the 31 March 2024 deadline.

The Compliance Audit Return for 2023 has been completed and resulted in the City achieving 99% (93/94) compliance.

Background

Regulation 14 of the *Local Government (Audit) Regulations 1996* requires a local government to carry out a compliance audit for the period 1 January to 31 December in each year. The compliance audit forms part of the DLGSC's monitoring program which includes all statutory requirements as outlined in the audit regulations.

It is also a method of bringing to Council's attention cases of non-compliance, or where full compliance has not been achieved. It is noted that Council is required to endorse any remedial action taken or proposed to be taken in regard to instances of non-compliance. In some instances, non-compliance can result in further enquiries by DLGSC.

Comment

When preparing the return, responses are validated through a series of testing mechanisms to assure that the responses are correct and sufficient for review. This year relevant managers were requested to provide responses to their respective questions. The responses were compiled and reviewed by the Risk and Compliance Officer who is independent from the delivery of the functions, before being forwarded to the Acting Director Business Services and the Executive for final review before submission to the Audit and Risk Committee.

The 2023 Compliance Audit Return comprises of the following components:

1. Commercial Enterprises by Local Governments
2. Delegation of Power/Duty
3. Disclosure of Interest
4. Disposal of Property
5. Elections
6. Finance
7. Local Government Employees
8. Official Conduct

Tenders for Providing Goods and Services	Did the local government comply with its current purchasing policy, adopted under the <i>Local Government (Functions and General) Regulations 1996</i> , regulations 11A(1) and (3) in relation to the supply of goods or services where the consideration under the contract was, or was expected to be, \$250,000 or less or worth \$250,000 or less?	<p>In accordance with the City's Internal Audit Plan internal improvement reviews are undertaken each quarter on moderate to high-risk areas to assess both compliance with and adequacy of the control environment.</p> <p>Throughout the reporting period, independent reviews were undertaken on low value procurement activity to identify areas of improvement and any breaches of the Council Procurement Policy (Policy).</p> <p>As part of these reviews, some instances of non-compliance were identified, mainly relating to standing orders being raised on suppliers that were out-of-contract without a competitive process being undertaken or documented waiver from the purchasing policy and variations to purchase orders.</p> <p>It should be noted that compliance with the Policy has significantly improved in recent years. This is due to the delivery of training programs, automation of the control environment and the quarterly improvement reviews that are undertaken as part of the Internal Audit Plan.</p>	<p>Mandatory Procurement Training to address areas of non-compliance.</p> <p>Ongoing system improvement and control automation.</p> <p>Quarterly procurement improvement review.</p>
