The City of Mandurah conducts the operations of a local government with the following community vision:

We are built in nature - a meeting place surrounded by unique waterways, where the wellbeing of our people and our environment are nurtured; where business in the community can thrive and entrepreneurship is celebrated. We will be the place where a thriving regional city and the heart of a village meet. This is our Mandjoogoordap.

Principal place of business:
3 Peel St, Mandurah WA 6210

**CITY OF MANDURAH
FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023**

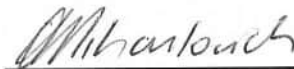

*Local Government Act 1995
Local Government (Financial Management) Regulations 1996*

STATEMENT BY CEO

The accompanying financial report of the City of Mandurah has been prepared in compliance with the provisions of the *Local Government Act 1995* from proper accounts and records to present fairly the financial transactions for the reporting period ended 30 June 2023 and the financial position as at 30 June 2023.

At the date of signing this statement the particulars included in the financial report are not misleading or inaccurate.

Signed on the 19th day of DECEMBER 2023

CEO

CASEY MIHOVILOVICH

Name of CEO

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

1. BASIS OF PREPARATION

The financial report of the City of Mandurah which is class 1 Local Government comprises general purpose financial statements which have been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996* prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the City to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The local government reporting entity

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 32 of the financial report.

Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings, infrastructure and investment property
- estimation uncertainties made in relation to lease accounting
- estimation of Interest rate swaps
- estimation of expected credit losses

Initial application of accounting standards

During the current year, the following new or revised Australian Accounting Standards and Interpretations were applied for the first time.

- AASB 2020-3 Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments
- AASB 2020-6 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current - Deferral of Effective Date
- AASB 2021-7a Amendments to Australian Accounting Standards - Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections [general editorials]
- AASB 2022-3 Amendments to Australian Accounting Standards - Illustrative Examples for Not-for-Profit Entities accompanying AASB 15

These amendments have no material impact on the current annual financial report

New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- AASB 2014-10 Amendments to Australian Accounting Standards - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- AASB 2020-1 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current
- AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates
- AASB 2021-7c Amendments to Australian Accounting Standards - Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections [deferred AASB 10 and AASB 128 amendments in AASB 2014-10 apply]
- AASB 2022-5 Amendments to Australian Accounting Standards - Lease Liability in a Sale and Leaseback
- AASB 2022-6 Amendments to Australian Accounting Standards - Non-current Liabilities with Covenants
- AASB 2022-7 Editorial Corrections to Australian Accounting Standards and Repeal of Superseded and Redundant Standards
- AASB 2022-10 Amendments to Australian Accounting Standards - Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities

The amendment may result in changes to the fair value of non-financial assets. The impact is yet to be quantified. Except as described above these amendments are not expected to have any material impact on the financial report on initial application.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

2. REVENUE AND EXPENSES

(a) Revenue

Contracts with customers

Recognition of revenue is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

Revenue Category	Nature of goods and services	When obligations typically satisfied	Payment terms	Returns/Refunds/Warranties	Timing of revenue recognition
Grants, subsidies and contributions	Community events, minor facilities, research, design, planning evaluation and services	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Output method based on project milestones and/or completion date matched to performance obligations
Fees and charges - licences, registrations, approvals	Building, planning, development and animal management.	Single point in time	Full payment prior to issue	None	On payment of the licence, registration or approval
Other revenue - private works	Contracted private works	Single point in time	Monthly in arrears	None	At point of service

Consideration from contracts with customers is included in the transaction price.

Revenue Recognition

Revenue recognised during the year under each basis of recognition by nature of goods or services is provided in the table below:

For the year ended 30 June 2023

Nature	Contracts with customers	Capital grant/contributions	Statutory Requirements	Other	Total
	\$	\$	\$	\$	\$
Rates	0	0	87,363,981	0	87,363,981

Other expenditure		
Sundry expenses	39,605	161,752
	<u>39,605</u>	<u>161,752</u>

3. CASH AND CASH EQUIVALENTS

SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

Restricted financial assets
Restricted financial asset balances are not available for general use by the local government due to externally imposed restrictions. Restrictions are specified in an agreement, contract or legislation. This applies to reserve accounts, unspent grants, subsidies and contributions and unspent loans that have not been fully expended in the manner specified by the contributor, legislation or loan agreement and for which no liability has been recognised.

(a) Current assets

Loans receivable from community have the same terms and conditions as the related borrowing disclosed in Note 30(a) as self supporting loans. Fair value of financial assets at fair value through profit or loss is determined from the net asset value of the units held in the Trust at balance date as compiled by WALGA.

SIGNIFICANT ACCOUNTING POLICIES

The City classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Interest received is presented under cashflows from operating activities in the Statement of Cash Flows where it is earned from financial assets that are held for cash management purposes.

The City has elected to classify the following financial assets at fair value through profit or loss:

- debt investments which do not qualify for measurement at either amortised cost or fair value through other comprehensive income.
- equity investments which the City has elected to recognise as fair value gains and losses through profit or loss.

Information regarding impairment and exposure to risk can be found at Note 23.

Disclosure of opening and closing balances related to contracts with customers

Information about receivables from contracts with customers along with financial assets and associated liabilities arising from transfers to enable the acquisition or construction of recognisable non financial assets is:

Trade and other receivables from contracts with customers	
Allowance for credit losses of trade receivables	
Total trade and other receivables from contracts with customers	

Note	30 June 2023 Actual	30 June 2022 Actual
	\$	\$
	137,519	88,088
	0	184
	137,519	88,271

SIGNIFICANT ACCOUNTING POLICIES

Rates and statutory receivables

Rates and statutory receivables are non-contractual receivables arising from statutory requirements and include amounts due from ratepayers for unpaid rates and service charges and other statutory charges or fines.

Rates and statutory receivables are recognised when the taxable event has occurred and can be measured reliably.

Trade receivables

Trade receivables are amounts receivable from contractual arrangements with customers for goods sold, services performed or grants or contributions with sufficiently specific performance obligations as part of the ordinary course of business.

Other Receivables

Other receivables are amounts receivable from contractual arrangements with third parties other than contracts with customers including grants for the construction of recognisable non financial assets.

Measurement

Trade and other receivables are recognised initially at the amount of the transaction price, unless they contain a significant financing component, and are to be recognised at fair value.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the City measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

Impairment and risk exposure

Information about the impairment of trade receivables and their exposure to credit risk and interest rate risk can be found in Note 23.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

6. INVENTORIES

Current
Fuel and materials
Land held for resale

The following movements in inventories occurred during the year:

Balance at beginning of year
Inventory movement
Balance at end of year

Note	2023	2022
	\$	\$
	249,556	512,480
	445,000	445,000
	694,556	957,480
	957,480	540,691
	(262,924)	416,789
	694,556	957,480

SIGNIFICANT ACCOUNTING POLICIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land held for resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development.

Land held for resale (Continued)

Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

CITY OF MANDURAH

FOR THE YEAR ENDED 30 JUNE 2023

7. OTHER ASSETS

	2023	2022
	\$	\$
Other assets - current		
Prepayments	1,351,471	1,939,164
Accrued income	3,134,073	1,928,631
	4,485,545	3,867,795

SIGNIFICANT ACCOUNTING POLICIES

Other current assets

Other non-financial assets include prepayments which represent payments in advance of receipt of goods or services or that part of expenditure made in one accounting period covering a term extending beyond that period.

Accrued Income

Accrued income primarily relate to the City's right to receive considerations for work completed but not billed at the end of the period.

FOR THE YEAR ENDED 30 JUNE 2023

8. PROPERTY, PLANT AND EQUIPMENT (Continued)

(b) Carrying Value Measurements

Asset Class	Fair Value Hierarchy	Valuation Technique	Basis of Valuation	Date of Last Valuation	Inputs Used
(i) Fair Value					
Land and buildings					
Land	2	Market Approach	Independent registered valuer	June 2022	Selection of Land similar approximate utility
Buildings - non-specialised	2	Depreciated Replacement Cost	Independent valuer and Management valuation	June 2022	Historical cost per square floor area. Consumed benefit/obsolescence of asset.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

FOR THE YEAR ENDED 30 JUNE 2023

9. INFRASTRUCTURE (Continued)

(b) Carrying Value Measurements

Asset Class	Fair Value Hierarchy	Valuation Technique	Basis of Valuation	Date of Last Valuation	Inputs Used
(i) Fair Value					
Infrastructure - roads	3	Depreciated Replacement Cost	Independent registered valuer	June 2022	Construction costs, current condition, remaining useful lives. Consumed economic benefit/obsolescence of asset.
Other infrastructure - drainage	3	Depreciated Replacement Cost	Independent registered valuer	June 2022	Construction costs, current condition, remaining useful lives. Consumed economic benefit/obsolescence of asset.
Other infrastructure - parks	3	Depreciated Replacement Cost	Independent registered valuer	June 2022	Construction costs, current condition, remaining useful lives. Consumed economic benefit/obsolescence of asset.
Other infrastructure - coastal and estuary	3	Depreciated Replacement Cost	Independent registered valuer	June 2022	Construction costs, current condition, remaining useful lives. Consumed economic benefit/obsolescence of asset.
Other infrastructure - bridges	3	Depreciated Replacement Cost	Independent registered valuer	June 2022	Construction costs, current condition, remaining useful lives. Consumed economic benefit/obsolescence of asset.
Other infrastructure - other infrastructure	3	Depreciated Replacement Cost	Independent registered valuer	June 2022	Construction costs, current condition, remaining useful lives. Consumed economic benefit/obsolescence of asset.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used to determine the fair value of infrastructure using level 3 inputs.

10. FIXED ASSETS

(a) Depreciation

Depreciation rates

Typical estimated useful lives for the different asset classes for the current and prior years are included in the table below:

Asset Class	Useful life
Buildings - non-specialised	20 to 110 years
Furniture and equipment	2 to 26 years
Plant and equipment	3 to 20 years
Infrastructure - roads	1 to 100 years
Infrastructure - drainage	1 to 80 years
Infrastructure - parks	1 to 100 years
Infrastructure - coastal and estuary	1 to 100 years
Infrastructure - bridges	60 to 115 years
Infrastructure - other	5 to 100 years
Right of use - plant and equipment	Based on the remaining lease

(b) Fully Depreciated Assets in Use

The gross carrying value of assets held by the City which are currently in use yet fully depreciated are shown in the table below.

	2023	2022
	\$	\$
Property, Plant and Equipment	102,680	75,900
Infrastructure	8,027,513	6,587,122
	8,130,193	6,663,022

10. FIXED ASSETS (Continued)

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value (as indicated), less any accumulated depreciation and impairment losses.

Initial recognition and measurement for assets held at cost

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost, the asset is initially recognised at fair value. Assets held at cost are depreciated and assessed for indicators of impairment annually.

Initial recognition and measurement between mandatory revaluation dates for assets held at fair value

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the City includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets that are land, buildings, infrastructure and investment properties acquired between scheduled revaluation dates of the asset class in accordance with the City's revaluation policy, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next revaluation date consistent with *Financial Management Regulation 17A(4)*.

Revaluation

The fair value of land, buildings, infrastructure and investment properties is determined at least every five years in accordance with the regulatory framework. This includes buildings and infrastructure items which were pre-existing improvements (i.e. vested improvements) on vested land acquired by the City.

At the end of each period, the carrying amount for each asset class is reviewed and, where appropriate, the fair value is updated to reflect current market conditions consistent with *Financial Management Regulation 17A(2)* which requires land, buildings infrastructure, investment properties and vested improvements to be shown at fair value.

Revaluation (continued)

For property, plant and equipment and infrastructure, increases in the carrying amount arising on revaluation of asset classes are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss. Subsequent increases are then recognised in profit or loss to the extent they reverse a net revaluation decrease previously recognised in profit or loss for the same class of asset.

Depreciation

The depreciable amount of all property, plant and equipment and infrastructure, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Depreciation on revaluation

When an item of property, plant and equipment and infrastructure is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- (i) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset.
- (ii) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

Amortisation

All intangible assets with a finite useful life, are amortised on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use.

The residual value of intangible assets is considered to be zero and the useful life and amortisation method are reviewed at the end of each financial year.

Amortisation is included within depreciation in the Statement of Comprehensive Income and in Note 10(a).

Impairment

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains or losses on disposal

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

11. LEASES

(a) Right-of-Use Assets

Movement in the balance of each class of right-of-use asset between the beginning and the end of the current financial year.	Note	Right-of-use assets - plant and equipment	Right-of-use assets Total
		\$	\$
Balance at 1 July 2021		759,271	759,271
Lease movement		257,871	257,871
Depreciation		(583,208)	(583,208)
Balance at 30 June 2022		433,934	433,934
Lease movement		667,229	667,229
Depreciation		(552,349)	(552,349)
Balance at 30 June 2023		548,814	548,814

The following amounts were recognised in the statement of comprehensive income during the period in respect of leases where the entity is the lessee:

		2023 Actual	2022 Actual
		\$	\$
Depreciation on right-of-use assets		(552,349)	(583,208)
Finance charge on lease liabilities	30(d)	(13,767)	(19,411)
Low-value asset lease payments recognised as expense		(387,402)	(434,666)
Total amount recognised in the statement of comprehensive income		(953,518)	(1,037,285)
Total cash outflow from leases		(559,121)	(611,564)

(b) Lease Liabilities

Current		210,703	371,198
Non-current		363,184	80,486
	30(d)	573,887	451,684

Secured liabilities and assets pledged as security

Lease liabilities are effectively secured, as the rights to the leased assets recognised in the financial statements revert to the lessor in the event of default.

SIGNIFICANT ACCOUNTING POLICIES

Leases

At inception of a contract, the City assesses if the contract contains or is a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the City uses its incremental borrowing rate.

All contracts that are classified as short-term leases (i.e. a lease with a term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Details of individual lease liabilities required by regulations are provided at Note 30(d).

Right-of-use assets - measurement

Right-of-use assets are measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost (i.e. not recognised in the Statement of Financial Position). The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which are reported at fair value.

Refer to Note 10 under revaluation for details on the significant accounting policies applying to vested improvements.

Right-of-use assets - depreciation

Right-of-use assets are depreciated over the lease term or the useful life of the underlying asset, whichever is the shorter. Where a lease transfers ownership of the underlying asset, or the cost of the right-of-use asset reflects that the City anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

11. LEASES (Continued)

(c) Lessor - Property, Plant and Equipment Subject to Lease

The table below represents a maturity analysis of the undiscounted lease payments to be received after the reporting date.

Less than 1 year
1 to 2 years
2 to 3 years
3 to 4 years
4 to 5 years
> 5 years

2023 Actual	2022 Actual
\$	\$
1,082,166	1,142,424
1,055,934	1,007,054
1,053,484	1,000,001
1,062,835	950,457
1,069,649	935,268
12,744,211	11,091,891
18,068,279	16,127,095

Lease payments for some contracts include CPI increases, but there are no other variable lease payments that depend on an index or rate. Although the City is exposed to changes in the residual value at the end of the current leases, the City group typically enters into new operating leases and therefore will not immediately realise any reduction in residual value at the end of these leases. Expectations about the future residual values are reflected in the fair value of the properties.

Refer to note 12 for details of leased investment property.

SIGNIFICANT ACCOUNTING POLICIES

The City as Lessor

Upon entering into each contract as a lessor, the City assesses if the lease is a finance or operating lease.

The contract is classified as a finance lease when the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases not within this definition are classified as operating leases. Rental income received from operating leases is recognised on a straight-line basis over the term of the specific lease.

Initial direct costs incurred in entering into an operating lease (eg legal cost, cost to setup) are included in the carrying amount of the leased asset and recognised as an expense on a straight-line basis over the lease term.

When a contract is determined to include lease and non-lease components, the City applies AASB 15 to allocate the consideration under the contract to each component.

0	837,368

The investment properties are leased to tenants under operating leases with rentals payable monthly. Lease income from operating leases where the group is a lessor is recognised in income on a straightline basis over the lease term.

Lease payments for some contracts include CPI increases, but there are no other variable lease payments that depend on an index or rate. Although the City is exposed to changes in the residual value at the end of the current leases, the City group typically enters into new operating leases and therefore will not immediately realise any reduction in residual value at the end of these leases. Expectations about the future residual values are reflected in the fair value of the properties.

SIGNIFICANT ACCOUNTING POLICIES

Investment properties

Investment properties are principally freehold buildings, held for long-term rental yields and not occupied by the City. Investment properties are carried at fair value in accordance with the significant accounting policies disclosed at note 10.

Fair value of investment properties

A management valuation was performed to determine the fair value of investment properties. The main Level 3 inputs used in the valuation were discount rates, yields, expected vacancy rates and rental growth rates estimated by management based on comparable transactions and industry data.

4,728,860	7,272,942
7,643	235,512
64,448	95,954
276,713	403,656
19,787,860	17,443,276

SIGNIFICANT ACCOUNTING POLICIES

Financial liabilities

Financial liabilities are initially recognised at fair value when the City becomes a party to the contractual provisions of the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and any consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the financial year that are unpaid and arise when the City becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are usually paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

Prepaid rates

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the City recognises income for the prepaid rates that have not been refunded.

1 to 2 years	1,215,909	1,215,909
	<u>7,763,152</u>	<u>6,530,034</u>

Performance obligations in relation to capital grant/contribution liabilities are satisfied as project milestones are met or completion of construction or acquisition of the asset.

SIGNIFICANT ACCOUNTING POLICIES

Contract liabilities

Contract liabilities represent the City's obligation to transfer goods or services to a customer for which the City has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

Capital grant/contribution liabilities

Capital grant/contribution liabilities represent the City's obligations to construct recognisable non-financial assets to identified specifications to be controlled by the City which are yet to be satisfied. Capital grant/contribution liabilities are recognised as income when the obligations in the contract are satisfied.

Fair values for non-current capital grant/contribution liabilities, not expected to be extinguished within 12 months, are based on discounted cash flows of expected cashflows to satisfy the obligations using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy (see Note 25(i)) due to the unobservable inputs, including own credit risk.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

15. BORROWINGS

	Note	2023			2022		
		Current	Non-current	Total	Current	Non-current	Total
Secured		\$	\$	\$	\$	\$	\$
Debentures		4,361,670	19,202,243	23,563,914	4,710,362	19,142,781	23,853,143
Total secured borrowings	30(a)	4,361,670	19,202,243	23,563,914	4,710,362	19,142,781	23,853,143

Secured liabilities and assets pledged as security

Debentures, bank overdrafts and bank loans are secured by a floating charge over the assets of the City of Mandurah.

The City of Mandurah has complied with the financial covenants of its borrowing facilities during the 2023 and 2022 years.

SIGNIFICANT ACCOUNTING POLICIES

Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Borrowings fair values are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy (see Note 25(i)) due to the unobservable inputs, including own credit risk.

Risk

Information regarding exposure to risk can be found at Note 23.

Details of individual borrowings required by regulations are provided at Note 30(a).

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

16. EMPLOYEE RELATED PROVISIONS

Employee Related Provisions

	2023	2022
	\$	\$
Current provisions		
Employee benefit provisions		
Annual Leave	4,714,952	4,275,289
Long Service Leave	4,786,776	4,592,006
Total current employee related provisions	9,501,728	8,867,295
Non-current provisions		
Long Service Leave	811,107	626,772
Total non-current employee related provisions	811,107	626,772
Total employee related provisions	10,312,834	9,494,067

Provision is made for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave and associated on costs for services rendered up to the reporting date and recorded as an expense during the period the services are delivered.

Annual leave liabilities are classified as current, as there is no unconditional right to defer settlement for at least 12 months after the end of the reporting period. Assessments indicate that actual settlement of the liabilities is expected to occur as follows:

Amounts are expected to be settled on the following basis:

Less than 12 months after the reporting date
More than 12 months from reporting date

Note	2023	2022
	\$	\$
	4,714,952	4,257,321
	5,597,882	5,236,746
	10,312,834	9,494,067

SIGNIFICANT ACCOUNTING POLICIES

Employee benefits

The City's obligations for employees' annual leave, long service leave and other employee leave entitlements are recognised as employee related provisions in the Statement of Financial Position.

Short-term employee benefits

Provision is made for the City's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The City's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

17. OTHER PROVISIONS

	Provision for Workers Compensation	Total
	\$	\$
Opening balance at 1 July 2022		
Current provisions	671,448	671,448
	671,448	671,448
Amounts used	(46,905)	(46,905)
Balance at 30 June 2023	624,543	624,543
Comprises		
Current	624,543	624,543
	624,543	624,543

Other provisions

Amounts in relation to Worker's Compensation which are reliably expected to be paid out within 12 months of the reporting date are classified as current. Exact timing of payment of non-current obligations is unable to be reliably estimated as it is dependent on factors beyond the control of the local government.

Provisions

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

20. CONTINGENT LIABILITIES

The City has no identified contingent liabilities at the reporting date.

21. CAPITAL COMMITMENTS

	2023	2022
	\$	\$
Contracted for:		
- capital expenditure projects	11,187,623	3,901,280
- plant & equipment purchases	1,368,006	1,412,166
	12,555,629	5,313,446
Payable:		
- not later than one year	12,555,629	5,313,446

The capital expenditure projects outstanding at the end of the current reporting period represent the renovation and improvement of the City's Parks, Reserves, MARC Roof repairs and and Fleet Vehicles (the prior year commitment was mainly for renovation and improvement of the City's Parks, Reserves, and and Fleet Vehicles).

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

22. RELATED PARTY TRANSACTIONS

(a) Elected Member Remuneration

Fees, expenses and allowances to be paid or reimbursed to elected council members.

Note	2023 Actual	2023 Budget	2022 Actual
	\$	\$	\$
Mayor's annual allowance	95,497	95,497	93,253
Deputy Mayor's annual allowance	26,499	26,499	27,115
Meeting attendance fees	438,344	438,344	432,739
Annual allowance for ICT expenses	38,500	38,500	38,165
Travel and accommodation expenses	5,614	21,320	9,156
22(b)	604,454	620,160	600,428

(b) Key Management Personnel (KMP) Compensation

The total of compensation paid to KMP of the City during the year are as follows:

Note	2023 Actual	2022 Actual
	\$	\$
Short-term employee benefits	2,634,802	2,525,207
Post-employment benefits	384,040	336,666
Employee - other long-term benefits	67,601	57,138
Employee - termination benefits	96,168	35,789
Council member costs	604,454	600,428
22(a)	3,787,065	3,555,228

Short-term employee benefits

These amounts include all salary and fringe benefits awarded to KMP except for details in respect to fees and benefits paid to council members which may be separately found in the table above.

Post-employment benefits

These amounts are the current-year's cost of the City's superannuation contributions made during the year.

Other long-term benefits

These amounts represent annual leave and long service leave entitlements accruing during the year.

Termination benefits

These amounts represent termination benefits paid to KMP (Note: may or may not be applicable in any given year).

Council member costs

These amounts represent payments of member fees, expenses, allowances and reimbursements during the year.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

22. RELATED PARTY TRANSACTIONS

Transactions with related parties

Transactions between related parties and the City are on normal commercial terms and conditions, no more favourable than those available to other parties, unless otherwise stated.

No outstanding balances or provisions for doubtful debts or guarantees exist in relation to related parties at year end.

In addition to KMP compensation above the following transactions occurred with related parties:

	2023 Actual	2022 Actual
	\$	\$
Purchase of goods and services (*)	1,194,184	832,513
Payment of Council member costs (Refer to Note 22(a))	604,454	600,428
Amounts outstanding from related parties:		
Trade and other receivables	0	5,684

(*) - This mainly relates to the annual operating funding, contribution, venue hire/catering and refurbishment provided to other not-for profit entities in the Peel region where the City's KMPs also act as the KPMs of the not-for-profit entities.

Related Parties

The City's main related parties are as follows:

i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any council member, are considered key management personnel and are detailed in Notes 22(a) and 22(b).

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

23. FINANCIAL RISK MANAGEMENT

This note explains the City's exposure to financial risks and how these risks could affect the City's future financial performance.

Risk	Exposure arising from	Measurement	Management
Market risk - interest rates	Long term borrowings at variable rates	Sensitivity analysis	Utilise fixed interest rate borrowings
Credit risk	Cash and cash equivalents, trade receivables, financial assets and debt investments	Aging analysis Credit analysis	Diversification of bank deposits, credit limits. Investment policy
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

The City does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance department under policies approved by the Council. The finance department identifies, evaluates and manages financial risks in close co-operation with the operating divisions. Council have approved the overall risk management policy and provide policies on specific areas such as investment policy.

(a) Interest rate risk

Cash and cash equivalents

The City's main interest rate risk arises from cash and cash equivalents with variable interest rates, which exposes the City to cash flow interest rate risk. Short term overdraft facilities also have variable interest rates however these are repaid within 12 months, reducing the risk level to minimal.

Excess cash and cash equivalents are invested in fixed interest rate term deposits which do not expose the City to cash flow interest rate risk. Cash and cash equivalents required for working capital are held in variable interest rate accounts and non-interest bearing accounts. Carrying amounts of cash and cash equivalents at the 30 June and the weighted average interest rate across all cash and cash equivalents, term deposits, and Treasury bonds held disclosed as financial assets at amortised cost are reflected in the table below.

	Weighted Average Interest Rate %	Carrying Amounts \$	Fixed Interest Rate \$	Variable Interest Rate \$	Non Interest Bearing \$
2023					
Cash and cash equivalents	3.99%	69,919,904	38,475,282	31,444,622	0
Financial assets at amortised cost - term deposits	4.62%	12,357,618	12,357,618	0	0
2022					
Cash and cash equivalents	0.42%	47,406,827	28,666,112	18,740,715	0
Financial assets at amortised cost - term deposits	1.55%	24,054,319	24,054,319	0	0

Sensitivity

Profit or loss is sensitive to higher/lower interest income from cash and cash equivalents as a result of changes in interest rates.

	2023	2022
	\$	\$
Impact of a 1% movement in interest rates on profit or loss and equity*	314,446	187,407

* Holding all other variables constant

Borrowings

Borrowings are subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The City manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation. The City does not consider there to be any interest rate risk in relation to borrowings. Details of interest rates applicable to each borrowing may be found at Note 30(a).

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

23. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

Trade and Other Receivables

The City's major trade and other receivables comprise contractual non-statutory user fees and charges, grants, contributions and reimbursements. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The City manages this risk by monitoring outstanding debt and employing debt recovery policies.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The City applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade and other receivables. To measure the expected credit losses, receivables from grants, contributions and reimbursements are separated from other trade receivables due to the difference in payment terms and security.

The expected loss rates are based on the payment profiles of trade and other receivables over a period of 36 months before 1 July 2022 or 1 July 2023 respectively and the corresponding historical losses experienced within this period. Historical loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors such as the ability of users to settle the receivables.

The loss allowance as at 30 June 2023 and 30 June 2022 was determined as follows for trade and other receivables.

	Less than 1 year past due	More than 1 year past due	More than 2 years past due	More than 3 years past due	Total
30 June 2023					
Rates receivable					
Expected credit loss	0.00%	0.00%	0.00%	0.00%	
Gross carrying amount	160,172	148,790	144,561	3,255,134	3,708,657
Loss allowance	0	0	0	0	0
30 June 2022					
Rates receivable					
Expected credit loss	0.00%	0.00%	0.00%	0.00%	
Gross carrying amount	219,207	209,838	222,409	3,222,194	3,873,648
Loss allowance	0	0	0	0	0
	Current	More than 30 days past due	More than 60 days past due	More than 90 days past due	Total
30 June 2023					
Trade and other receivables					
Expected credit loss	0.00%	20.13%	5.86%	17.48%	
Gross carrying amount	434,916	82,887	131,468	964,679	1,613,951
Loss allowance	0	16,688	7,700	168,581	192,969
30 June 2022					
Trade and other receivables					
Expected credit loss	4.05%	13.84%	10.71%	15.70%	
Gross carrying amount	1,172,191	92,852	13,535	949,912	2,228,490
Loss allowance	47,423	12,854	1,449	149,144	210,870

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

23. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

The loss allowances for trade, other receivables and contract assets as at 30 June reconcile to the opening loss allowances as follows:

	Rates receivables		Trade and other receivables		Contract Assets	
	2023 Actual	2022 Actual	2023 Actual	2022 Actual	2023 Actual	2022 Actual
	\$	\$	\$	\$	\$	\$
Opening loss allowance as at 1 July	0	0	210,870	158,610	0	0
Increase in loss allowance recognised in profit or loss during the year	0	0	113,447	200,566	0	0
Receivables written off during the year as uncollectible	0	0	(131,348)	(148,306)	0	0
Closing loss allowance at 30 June	0	0	192,969	210,870	0	0

Trade, other receivables and contract assets are written off where there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include, amongst others, the failure of a debtor to engage in a repayment plan with the City, and a failure to make contractual payments for a period of greater than 120 days past due.

Impairment losses on rates and statutory receivables, trade, other receivables and contract assets are presented as net impairment losses within other expenditure. Subsequent recoveries of amounts previously written off are credited against the same line item.

Contract Assets

The City's contract assets represent work completed, which have not been invoiced at year end. This is due to the City not having met all the performance obligations in the contract which give an unconditional right to receive consideration. The City applies the simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all contract assets. To measure the expected credit losses, contract assets have been grouped based on shared credit risk characteristics and the days past due. Contract assets have substantially the same risk characteristics as the trade receivables for the same types of contracts. The City has therefore concluded that the expected loss rates for trade receivables are a reasonable approximation of the loss rates for the contract assets.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

23. FINANCIAL RISK MANAGEMENT (Continued)

(c) Liquidity risk

Payables and borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The City manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required and disclosed in Note 19(c).

The contractual undiscounted cash flows of the City's payables and borrowings are set out in the liquidity table below. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Due within 1 year	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carrying values
	\$	\$	\$	\$	\$
2023					
Trade and other payables	19,787,860	0	0	19,787,860	19,787,860
Borrowings	190,931	7,406,002	15,966,980	23,563,913	23,563,913
Interest bearing liabilities	1,049,378	3,709,962	629,019	5,388,359	4,194,044
Lease liabilities	210,703	363,184	0	573,887	573,887
	21,238,872	11,479,148	16,595,999	49,314,019	48,119,704
2022					
Trade and other payables	17,443,276	0	0	17,443,276	17,443,276
Borrowings	4,710,362	15,434,858	3,707,923	23,853,143	23,853,143
Interest bearing liabilities	829,801	3,139,012	1,057,013	5,025,826	3,842,636
Lease liabilities	422,074	29,610	0	451,684	451,684
	23,405,513	18,603,480	4,764,936	46,773,929	45,590,739

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

24. EVENTS OCCURRING AFTER THE END OF THE REPORTING PERIOD

No events occurred after balance sheet date.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

25. OTHER SIGNIFICANT ACCOUNTING POLICIES

a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City's operational cycle. In the case of liabilities where the City does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the City's intentions to release for sale.

c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the City applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) Statement of Financial Position as at the beginning of the preceding period in addition to the minimum comparative financial report is presented.

e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

f) Superannuation

The City contributes to a number of Superannuation Funds on behalf of employees. All funds to which the City contributes are defined contribution plans.

g) Fair value of assets and liabilities

Fair value is the price that the City would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

h) Interest revenue

Interest revenue is calculated by applying the effective interest rate to the gross carrying amount of a financial asset measured at amortised cost except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

i) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The City selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the City are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the City gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

j) Impairment of assets

In accordance with Australian Accounting Standards the City's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

26. FUNCTION AND ACTIVITY

(a) Service objectives and descriptions

City operations as disclosed in this financial report encompass the following service orientated functions and activities.

Objective	Description
Governance To provide a decision making process for the efficient allocation of scarce resources.	Includes the activities of members of Council and the administrative support available to the Council for the provision of governance of the district. Other costs relate to the task of assisting council members and ratepayers on matters which do not concern specific local government services.
General purpose funding To collect revenue to allow for the provision of services.	Rates, general purpose government grants and interest revenue.
Law, order, public safety To provide services to help ensure a safer and environmentally conscious community.	Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.
Health To provide an operational framework for environmental and community health.	Inspection of food outlets and their control, provision of meat inspection services, noise control and waste disposal compliance.
Education and welfare To provide services to disadvantaged persons, the elderly, children and youth.	Operation of senior citizen's centre, youth centre and assistance to various community and voluntary services associated with families, children, aged and disabled.
Community amenities To provide services required by the community.	Rubbish collection services, recycling services, operation of transfer station, cemetery services, administration of town planning scheme and protection of the environment.
Recreation and culture To establish and effectively manage infrastructure and resources which will help the social well being of the community.	Maintenance of public halls, civic centres, aquatic centre, beaches, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library, museum and other cultural facilities.
Transport To provide safe, effective and efficient transport services to the community.	Construction and maintenance of roads, streets, footpaths, depots, cycle ways, parking facilities and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc.
Economic services To help promote the local government and its economic wellbeing.	Marketing & promotion of tourism, visitor centres, economic development, implementation of building and development controls.
Other property and services To monitor and control operating accounts.	Private works, administration and public works overheads, works depots and council plant operations.

CITY OF MANDURAH
NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 JUNE 2023

27. CORRECTION OF ERROR

The City of Mandurah has reviewed the asset database and found assets that were not previously recorded in our asset register. The error has been corrected by restating each of the affected financial statement line items for the prior periods, as follows:

Statement of Financial Position (Extract)	Note	30 June 2022 \$	Increase/ (Decrease) \$	30 June 2022 (Restated) \$	30 June 2021 \$	Increase/ (Decrease) \$	30 June 2021 (Restated) \$
Property, plant and equipment	(i)	272,195,383	113,196	272,308,579	254,428,252	8,010,206	262,438,458
Infrastructure	(ii)	761,906,420	33,778,376	795,684,796	698,379,689	52,391,615	750,771,304

Revaluation surplus	(iv)	808,672,530	(22,868,600)	785,803,930	711,681,428	7,890,000	719,571,428
Retained surplus	(iii)	206,672,868	56,760,172	263,433,040	214,458,861	52,511,821	266,970,682
Total equity		1,066,647,144	33,891,572	1,100,538,716	970,908,204	60,401,821	1,031,310,025

Statement of Comprehensive Income (Extract)	Note	30 June 2022 \$	Increase/ (Decrease) \$	30 June 2022 (Restated) \$
Depreciation	(i), (ii), (iii)	(32,440,340)	(1,015,705)	(33,456,045)
Capital grants, subsidies and contributions	(ii)	11,809,911	5,264,055	17,073,966
Net result for the period		(1,252,161)	4,248,350	2,996,189
Changes in asset revaluation surplus	(iii)	96,991,102	(30,758,600)	66,232,502
Total comprehensive income for the period		96,991,102	(30,758,600)	66,232,502

- (i) The adjustment to the balance at 1 July 2021 relates to the assets found in FY23 and FY22 that were built/gifted to the City prior to 1 July 2021. The assets found in FY22 were previously recorded as part of the 30 June 2022 balances.

The adjustment to balance at 30 June 2022 relates to the assets found in FY23 that were built/gifted to the City prior to 30 June 2022 less the associated depreciation expenses for the FY22.

- (ii) The adjustment to the balance at 1 July 2021 relates to the assets found in FY23 and FY22 that were built/gifted to the City prior to 1 July 2021. The assets found in FY22 were previously recorded as part of the 30 June 2022 balances.

The adjustment to balance at 30 June 2022 relates to the assets found in FY23 that were built/gifted to the City prior to 30 June 2022 less the associated depreciation expenses for the FY22 and the assets were gifted to the City in FY22 that were not previously recorded.

- (iii) The adjustment to 1 July 2021 balance relates to newly found assets in FY22 and FY23 as covered under (i) and (ii) that were previously expensed.

The adjustment to 30 June 2022 balance relates to the newly found assets in FY23 as covered under (i) and (ii) that were previously expensed, the associated depreciation expenses and the gifted assets in FY22 that were not previously recognised. In addition, all of the newly found assets in FY22 were incorrectly recognised against the revaluation surplus in the FY22 financial statements. This was subsequently corrected in FY23, which reduced the revaluation surplus at 30 June 2022 and increased the retained surplus by the same amount.

- (iv) The adjustment to 1 July 2021 balance relates to revaluation gain on newly found assets in FY22 and FY23 as covered under (i) and (ii).

The adjustment to 30 June 2022 balance relates to the error associated to the newly found assets in FY22 as discussed under (iii), where newly found assets in FY22 were recognised against the revaluation surplus, not retained surplus.

The errors have no impact on FY22 cashflows statements.

	1,246,258	151,398	0	1,397,656

Auditor General

INDEPENDENT AUDITOR'S REPORT

2023

City of Mandurah

To the Council of the City of Mandurah

Opinion

I have audited the financial report of the City of Mandurah (City) which comprises:

- the Statement of Financial Position as at 30 June 2023, and the Statement of Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows and Statement of Financial Activity for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, the financial report is:

- based on proper accounts and records
- presents fairly, in all material respects, the results of the operations of the City for the year ended 30 June 2023 and its financial position at the end of that period
- in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section below.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter

I draw attention to Note 27 to the financial report, which states that amounts reported in the previously issued 30 June 2022 financial report have been restated and disclosed as comparatives. My opinion is not modified in respect to this matter.

Other information

The Chief Executive Officer (CEO) is responsible for the preparation and the Council for overseeing the other information. The other information is the information in the entity's annual report for the year ended 30 June 2023, but not the financial report and my auditor's report.

My opinion on the financial report does not cover the other information and accordingly, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I did not receive the other information prior to the date of this auditor's report. When I do receive it, I will read it and if I conclude that there is a material misstatement in this information, I am required to communicate the matter to the CEO and Council and request them to correct the misstated information. If the misstated information is not corrected, I may need to retract this auditor's report and re-issue an amended report.

Responsibilities of the Chief Executive Officer and Council for the financial report

The Chief Executive Officer (CEO) of the City is responsible for:

- keeping proper accounts and records
- preparation and fair presentation of the financial report in accordance with the requirements of the Act and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards
- managing internal control as required by the CEO to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for:

- assessing the City's ability to continue as a going concern
- disclosing, as applicable, matters related to going concern
- using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the City.

The Council is responsible for overseeing the City's financial reporting process.

Auditor's responsibilities for the audit of the financial report

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

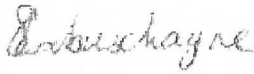

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

My independence and quality management relating to the report on the financial report

I have complied with the independence requirements of the *Auditor General Act 2006* and the relevant ethical requirements relating to assurance engagements. In accordance with ASQM 1 *Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagements*, the Office of the Auditor General maintains a comprehensive system of quality management including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the City of Mandurah for the year ended 30 June 2023 included in the annual report on the City's website. The City's management is responsible for the integrity of the City's website. This audit does not provide assurance on the integrity of the City's website. The auditor's report refers only to the financial report. It does not provide an opinion on any other information which may have been hyperlinked to/from the annual report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to contact the City to confirm the information contained in the website version.
