# **Be a GREAT Sort!** Landfill is the last resort.

Welcome to the City of Mandurah's Waste and Recycling Guide for 2023/24. This is a great resource for residents with information on bin collections, verge collections, recycling and managing waste in a more sustainable way. Additional information is available on the City's website including details on:

- Waste to Energy
- A-Z disposal guide
- Waste Management Centre
- Your residential waste collection schedules by using the 'NearMe' tool
- Problematic waste

# **Residential Bin Collections**

# Handy tips:

- Bin shall not remain on the verge for more than 24hrs
- Place bins on your kerb with wheels facing your house
- Return your bin to your property as soon as possible once they are empty
- Store your bins in a shaded/protected area
- Ensure the lid of your bin is fully closed at all times
- Clean your bins regularly

#### Damaged, lost or stolen bins? Contact the Waste Alliance Customer Service Centre on 9587 4660.

# **Be a GREAT Sort!**

E is for Earth-Cycling food scraps and garden waste.

# Not all items can go in your kerbside bins

Take your hazardous items to the Mandurah Waste Management Centre.

The **Household Hazardous Waste** program accepts up to 20 kilograms or litres per material type for households at no charge.

Dispose of up to **100 litres** of paint per visit at no charge.

Cleanaway will collect up to 5L of used engine waste oil and 1 car battery each fortnight.

Please place items either on top of recycling bin or 0.5m away from bin (they need to be clearly visible to the driver).

# **Recycle at Recycling Hubs**

Mandurah residents can take their household batteries, household light globes, aerosol cans, coffee pods and mobile phones to their local Recycling Hub for recycling.

To find out more visit www.mandurah.wa.gov.au/hubs

Batteries **N** 

Mobile Phones

CFLs

Aerosols

# B-Cycle: Building a planet-friendly battery lifecycle

Join the GREAT Sorts on your street who put less in their landfill bin by dropping of your used batteries to the following drop off locations: Woolworths, Aldi, Total Tools, Officeworks, and the City's Waste Management Centre.

For more comprehensive information regarding the B-Cycle Program or specific drop off locations can be found on the website at: **bcycle.com.au/drop-off** 

# **B-cycle batteries in 3 simple steps**

Tape the terminals of your batteries to prevent risk of fire

Put them in a glass container and keep out of reach of children

B-cycle them at your nearest drop off point & take your container home to reuse

## Gift items to charity, swap or sell

Unwanted, reusable items such as clothes and toys in good condition can be GIFTED to charity, swapped or sold. Virtually everything has a better place to go – we just all need to be GREAT Sorts and treat landfill as the last resort.

You can find your nearest charity store or donation bin at charitablerecycling.org.au/find-op-shop.

**Note:** If the donation bin is full, you can go into a store, call for home collection or try another bin. Items left on the ground cannot be resold and become litter and end up in landfill.

# Waste Management Centre

80 Corsican Place, Parklands 9587 4660

Monday - Friday 7am - 4pm | Weekends and P/H 8am - 5pm (Closed Christmas Day and Good Friday)

# Drop off recyclables and other materials which do not belong in your kerbside bins.
