# 1. Restart Mandurah Now – Industry and Business Incentive Scheme

## Scheme Introduction

Based on the best health advice for WA and the National Cabinet principles, the City of Mandurah has aligned its effort to 1. **Respond**, 2. **Restart** and 3. **Transform Mandurah** beyond COVID-19.

At a Special Council Meeting on 12 May 2020, Council endorsed Restart Mandurah which focuses on reigniting Mandurah’s economy to counteract the impacts of the pandemic. Restart Mandurah has three key initiatives to support the community including a \$5 million Restart Mandurah Fund.

The proposed business grants program has been developed to incentivise private sector activity to deliver on the City’s economic agenda, specifically growing the economy and building business sustainability and capacity.

The City recognises and embraces the transformative role that business play in building thriving communities that are intertwined with improving economic and job prospects locally. This acknowledgement is even more important in the opposing environments where Transform Mandurah’s first projects are visibly underway and attracting investment interest; while the mixed effects of COVID-19 continue to impact our community.

To leverage the current environment to support local businesses and attract further investment into Mandurah, a *Restart Mandurah Now* Industry and Business Incentive Scheme is proposed. This program aims to attract investment from various sized businesses to deliver economic objectives for Mandurah and its City Centre.

The three proposed funding streams for the program are:

1. Ready Now – Business Capability Fund
2. Grow Now – Investment Attraction Program
3. Activate Now – City Centre Business Incentive Program
