Candidate name **Owen David MULDER**

District **City of Mandurah**

Nominating for **Councillor for Coastal Ward**

Election type **Ordinary**

Enrolment status **MULDER, Owen is eligible to stand for election as a resident of the City of Mandurah.**

I live in Falcon with my wife and three teenage daughters. As an engineer and senior manager, I have worked across WA and overseas. **I bring strong governance and leadership skills, and I'm fully committed to the role.**

We live in an area of incredible beauty – but we need to preserve that. We also have issues to address including safety concerns, and access to schooling, sporting facilities, and public transport. **My first commitment is to be a tireless advocate for the needs of the coastal ward.**

My second commitment is to fight for the lowest possible council rates. I am convinced that significant savings can be found without compromising service. I will work constructively with all parties to achieve this.

Charities are the lifeline of our community. And so **my third commitment is to donate to local charities the ~\$35,000/year that I would receive as a councillor.** Yes, I will be accountable for this, and I look forward to working with our amazing charities.
