Candidate name	James Robert POND
District	City of Mandurah
Nominating for	Councillor for Coastal Ward
Election type	Ordinary
Enrolment status	POND, Bob is eligible to stand for election as a resident of the City of Mandurah.

It has been a privilege to serve as Coastal Ward Councilor for the past 4 years. I respectfully seek your continued support. I bring experience in environmental science, management, government, and small business together with a strong commitment to effective governance.

I have lived in the Ward since 1999. The changes have been remarkable, but it continues to offer a lifestyle with few comparisons. The popularity of the recent opening of the Dawesville Community Centre and the new foreshore playground highlights the need for sustained and planned investment in community infrastructure. I want to see activation of the Southeast Dawesville Channel and Peel-Yalgorup national Park, releasing the significant benefits these assets could offer residents and visitors alike.

Additionally, I advocate for further activation of the City Centre - enhancing public spaces and fostering private investment- and remain committed to supporting the completion of the Western Foreshore Leisure Precinct.
