You need a Mayor who will **lead with integrity, fairness and vision** – a steady hand to guide Council and represent all of Mandurah.

Mandurah's been home for 42 years. I live here with my partner Ange, who owns and runs a local business, and our young twins. Like you, **my family is invested in Mandurah's future.**

I bring years of experience as an engineer and project manager, leading diverse teams across WA and overseas before serving full-time on council since 2021.

Over the past four years, **I've delivered on my promises** – holding decision-makers accountable and making sure community voices are heard.

As Mayor, I'll lead Council with independence and conviction, focused on transparency and efficiency. My priority is **back-to-basics – ensuring core services deliver real value for your rates.** I remain committed to supporting local sporting clubs, community groups and our unique environment.

Together we can build a Council you can trust – one that **delivers for you, your family, and our community.**
