Hello Mandurah Community! My name is Craig Lyons, and I am 25 years old and an aspiring author. I have lived in Mandurah for a number of years, and I am seeking a seat in the Mandurah Council. I am an avid reader, and own an adorable indoor cat named 'Salem'.

My three main goals if I were to be elected are as follows: Decreasing Rates, Eradicating Homelessness and Ensuring Unemployment is a thing of the past in Mandurah.

Rates continue to be a sore point in the community, rates keep increasing, the cost of living is becoming more and more difficult, and the Australian Dream of wealth and prosperity is fading. We're all doing it tough, pensioners are going without, and families are struggling to make ends meet. It is the job of the Council to ensure Mandurah is flourishing, but we can't keep doing so if Rates keep rising. I will, if elected, put a stop to reckless local government spending and advocate strongly for no more increases to rates.

I appreciate your consideration!
