Living alongside some of Australia's best beaches and waterways, I believe it is vital that we preserve our natural environment and ecosystems, whilst protecting the family lifestyles that makes our town unique.

I am passionate about supporting our young people, ensuring they have opportunities to thrive, while also safeguarding our parks and coastal areas.

Transparency and accountability are needed for council decision making, and I am committed to representing our community openly and honestly.

I will fight to ensure no rate increase for at least the next 4 year, while prioritising the preservation of waterways, coastline, and green spaces.

I am focused on practical solutions to reduce crime and encourage youth engagement, helping to build a safer, stronger and more connected town.
