Empowering our community,

As a passionate advocate for our coastal community and waterways, I promise unwavering commitment, accessibility, and expert leadership. As an elected Councillor, I will be your full time representative, insuring your voices are heard at every level of decision making. As a staunch champion for your concerns of the community, I'll listen to you and communicate regularly. Crime prevention is key for a safe community; I'll collaborate with law enforcement for innovative safety strategies in our neighbourhoods. I'll campaign for a new Mandurah hospital, not just band-aids on emergency and closing wards to fix mouldy buildings. Lets reel in the excitement for new recreational fishing infrastructure with boat ramps and jetties. With a successful business background and multi-award winner for small business, I will advocate for policies that foster business development and job creation. Vote 1 Brad Bedford for a thriving, safe, and prosperous city for all.
