Hi! I'm Stephen, a **Mandurah local**. I love this community & I want this city to be the best it can.

I run a marketing business here in Mandurah promoting many local businesses so I understand the importance to **assist local business** and also advocate for more **job opportunities** within our city.

You may know me as your **local bugler** with the last post on ANZAC Day or through **community theatre** which I have been involved in for many years. As a musician myself I want to continue to **support local arts & culture**.

We need to continue to protect our **environment** including our **beautiful waterways, wildlife & nature**.

Through my work running a not-for-profit group for 7 years here in Mandurah I know the importance of **mental health, safety, inclusion & supporting our youth**.

I have **extensive board experience** & financial management skills which is important for a well governed council. I'd like to **provide a fresh, enthusiastic approach** to council to best support all residents in the Coastal Ward.
