District	City of Mandurah
Nominating for	Councillor for Coastal Ward

I have been a Mandurah resident for 21 years, living the majority of the time in the coastal ward with my wife and daughter.

I am passionate about the safety and welfare of all Mandurah residents having served as a Sergeant in the WA Police Force for 15 years, 4 of those years in the Mandurah District serving the Mandurah Community.

Currently operating a successful small business in Mandurah for the past 15 years we have supported numerous community groups through sponsorship and donations. Being a small business owner helped me develop an understanding of financial management, and working as a team to achieve a desired outcome. We employ local people and continue to make a valuable contribution to our community.

I am running for council to ensure accountability and be a voice for the local community.

I have a burning desire to give back to the Mandurah Community and serve the community which I love. With your support we can make Mandurah the safest and most vibrant community in WA.
