Tender 07-2020

TENDER DETAILS							
Tender Number:	07-2020						
Tender Title:	Supply, Install and Commission Routers and Firewalls						
<p>A brief description of the Goods and Services required: The City of Mandurah (City) is seeking submissions from suitably qualified and experienced businesses or Organisations for the Supply, Installation, and Commissioning of Routers and Firewalls. The City of Mandurah operates a wide IP network across the majority of its buildings and facilities spanning the Mandurah geographical area to provide network access for a variety of services including corporate, DMZ, public, CCTV, VOIP and IPTV connectivity to internal and external services. The City of Mandurah's mostly Cisco-centric network estate consists of approximately 26 physical sites with 40 logical locations with most of the equipment due for lifecycle replacement and not covered by vendor maintenance. The estate also includes Ubiquiti P2P radio services, as well as Meraki VPN and Wi-Fi solutions. The logical network design across the estate utilises legacy routing protocols, primarily RIP along with static routes. The City of Mandurah is looking to refresh the perimeter firewalls and the entire routing estate to modernise the network with vendor support and technology. The City of Mandurah also wishes to create a secondary datacentre in an active/active configuration for routing IP traffic between the internal and external networks.</p>

Tender 20-2020

TENDER DETAILS							
Tender Number:	T20-2020						
Tender Title:	Coastal and Estuarine Foreshore Earthworks						
Tender Title Advertised as:	Coastal Earthworks						
Documentation Title:	Coastal and Estuarine Foreshore Earthworks						
<p>A brief description of the Goods and Services required: The City of Mandurah (City) is seeking submissions from suitably qualified and experienced businesses or Organisations for the Coastal and Estuarine Foreshore Earthworks, for a period of three (3) years with one (1) option to extend for a further two (2) years which will be exercised at the sole discretion of the City. The City of Mandurah (City) is a local government area of Western Australia, covering both Mandurah proper and an additional area reaching down as far south as Lake Clifton. The City has a total area of approximately 174 square kilometres. The waters of the Peel Inlet and Harvey Estuary (one of Australia's larger inlet systems) form the centre of Mandurah. The estuary is approximately twice the size of Sydney Harbour. The City lies in and around this estuarine system which in turn feeds into the Indian Ocean. The City and its suburbs have many kilometres of ocean coastline most of which is sandy beaches. Due to differing site requirements and specific skills and qualifications required for the work under this Contract, hire rates are being requested for the provision of earthmoving machinery and skilled operators in three (3) categories for coastal and estuarine works, which will be carried out within the boundaries of the City.</p>
