

RT Kids Art Classes – Code of Conduct

At RT Kids we're all about having fun while making some great art and so, like all groups, we need to agree on a few things to make it fun for everyone.

1. **We treat everyone with kindness and respect.**
2. **We listen quietly when the instructor is talking.**
3. **We use the art materials safely and sensibly.**
4. **We keep our area clean and tidy.**
5. **We clean up after ourselves.**
6. **We respect our artwork and the work of others.**
7. **We avoid shouting.**
8. **We don't run in the art room.**
9. **We always wear shoes.**
10. **We never paint or draw on ourselves and others.**
11. **We always do the best we can.**
12. **We have fun!**

For Parents:

1. To allow for preparation of the classroom please don't drop students off any earlier than five minutes before class times.
2. Please bring your children to the art room door at the beginning of class and collect them from the door at the end of class.
3. Only those students who have been enrolled may attend the classes.
4. Please ensure students are wearing appropriate clothing and footwear for the art room.
5. Please be aware that many of the materials we use will not wash out of clothing. We do have shirts available, but students may prefer to bring their own - loose sleeves are not advised.
6. Students are welcome to bring a drink to class. The art room has tap water available. Please eat all afterschool snacks prior to entering the Workshop Space to respect other participants' allergies.
7. Support workers are welcome.
