CITY OF  
MANDURAH

# ACKNOWLEDGEMENT OF COUNTRY

We would like to acknowledge that this festival is being held on the traditional land of the Bindjareb people, and pay our respects to their Elders past, present and emerging.

We acknowledge and respect their continuing culture and the unique contribution they make to the life of this community.

# MESSAGE FROM THE MAYOR

Kaya Wandjoo,

Welcome to the 2022 Mandurah Arts Festival!

This annual celebration of local heritage, stories, creativity and Mandurah's unique environments will see a host of free, family-friendly activities taking place over three lively days, against the beautiful backdrop of Mandurah's revitalised waterfront.

Programmed to reflect our unique location, people and stories, this year's festival promises to bring our community together to celebrate, inspire, and be inspired.

The arts play an important role in local communities. They can create a strong sense of place and can also draw attention to the social challenges in a community. Arts connect people together, they enrich our lives, help us to relate to one another better, and are a major economic driver. A vibrant arts and culture scene is a critical ingredient to shaping a city that people are drawn to.

With awesome local facilities like the Mandurah Performing Arts Centre and Contemporary Art Spaces Mandurah, strong local talent and a dedicated arts sector, Mandurah is well positioned to grow its arts and culture scene from strength to strength.

Thank you to all the passionate creatives and community members who have dedicated months of hard work to bring the 2022 Mandurah Arts Festival to life. Your commitment to our local arts scene is hugely appreciated and I look forward to joining in the celebration of our people, our places and our stories.

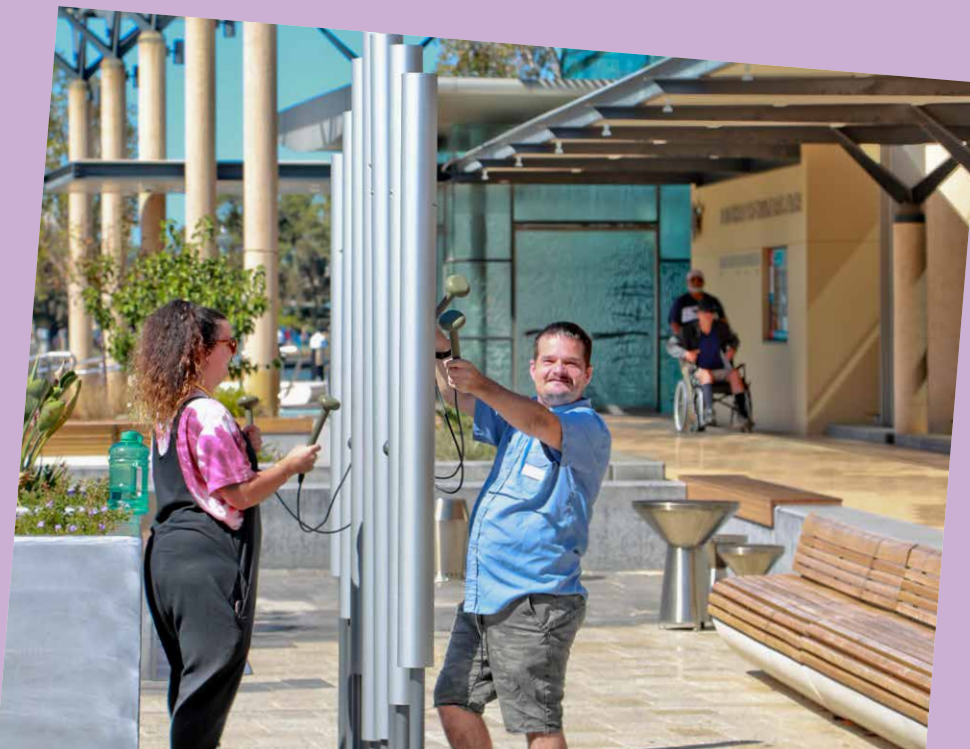

**Mayor Rhys Williams**
