

Social Story™

Mr Snot-Bottom and Foyer
Fun

What is a Social Story™?

A Social Story™ uses storytelling to explain new experiences and environments, helpful for people feeling nervous about attending a new place or event.

- Read the social story two weeks before the visit.
- If reading to someone, help them understand key points.
- After the visit, re-read the social story to celebrate achievements.

I am going to the Mr Snot-Bottom
Stinky Silly Show.

The event takes place on Tuesday,
24 September 2024, 11am – 12pm.

This is a photo of the Mandurah Performing Arts Centre.

The event will take place in the Fishtrap theatre in the Performing Arts Centre.

I may walk to the Mandurah Performing Arts Centre.

I may travel to the event by car, there is parking available on Ormsby Terrace.

There are ACROD bays available on Ormsby Terrace.

If I come early to the show, I may want to join the “Foyer Fun” with different activities, it takes place from 9-11am.

There will be a Ukulele workshop. People will play music and have fun. That is okay.

There will be a little market in the Mandurah Performing Arts Centre.

Young people will sell their handcrafted items. I may choose to buy some.

The Fishtrap Theatre will have a stage and rows of chairs for people to sit in.

A volunteer might help direct me to my seat.

The Mr. Snot-Bottom Stinky Silly Show will have a performer on a stage.

There will be music, and the lights might be dim.

Other people in the audience might cheer and laugh during the show because they are having fun. This is okay.

I will sit in a chair in the audience.

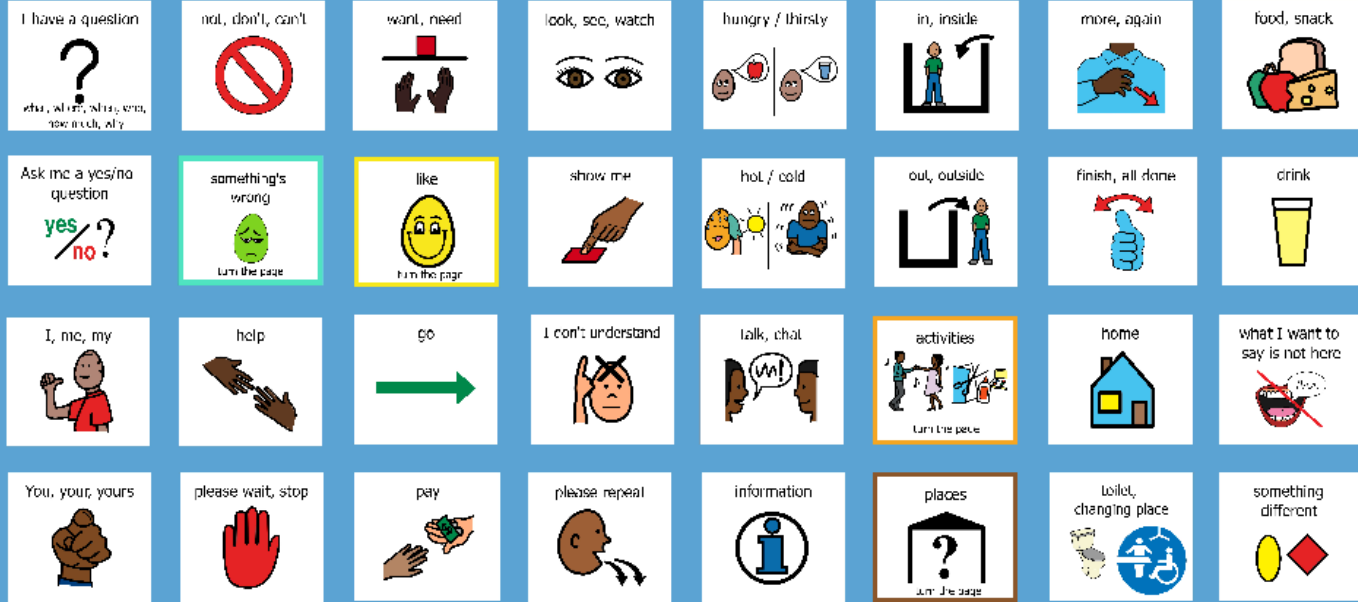

If it gets too noisy, I may choose to wear noise reduction earmuffs.

I can wear my own, or I can go to the Chill Out Zone and use some there.

Welcome to the Mandurah Performing Arts Centre

Lots of children and adults can find it hard to talk or sign. A chat board like this can help people who find it hard to talk or sign, some or all of the time. It can also help people who find it hard to understand when other people are talking or signing. To use this board, point to the picture of the word or message you want to say, and talk or sign at the same time if you can. You don't have to point to every word of your message, just as many as you can to get your message across.

There will be communication boards available for me, if I need them to communicate with others.

This is how they look. I can point at the things that I need.

There will be toilets available at the Performing Arts Centre.

Accessible toilets are also available.

Mr Snot Bottom

Going to the Mr Snot-Bottom Stinky Silly show and foyer fun may be fun.
