Asbestos Demolition Information Request Form

The poor handling of asbestos has potentially life threatening consequences for workers and the surrounding community. The City is committed to ensuring that the risks associated with asbestos handling during demolition are appropriately managed and that the *Health (Asbestos) Regulations 1992* are fully complied with.

Asbestos was used extensively in housing construction in Western Australia prior to 1990 and its presence may not be obvious. A thorough assessment of all premises constructed prior to 1990 is an expectation of the City and is required prior to the issuance of a Demolition Permit.

Guidance documents are attached that may provide some assistance in identifying asbestos and explaining handling and disposal requirements.

1. Name of Applicant:

2. Name of person controlling the demolition of buildings:

3. Name and phone number of person responsible for managing the handling of asbestos:

4. Asbestos Removal Licence Number: _____

5. The start date for work on this demolition is to be commenced _____

PROCEDURE FOR HANDLING / MANAGEMENT OF ASBESTOS:-

(Please Tick)

I can confirm that the following procedure will be undertaken for the handling and management of asbestos:-	<u>YES</u>	<u>NO</u>	<u>N/A</u>
The City of Mandurah's Health Services will be notified twenty four (24) hours prior to demolition of buildings containing asbestos on 9550 3746.			
All asbestos will be wet down with water or a 1:10 PVA glue to water mixture and will be kept wet during removal			
No power tools will be used on asbestos with the exception of removing screws.			
High-pressure hoses or sprays will not be used on any asbestos.			
All asbestos sheets will be removed with minimal breakage and will be lowered to the ground, not dropped.			
The removed asbestos will immediately be kept on polythene sheeting, wrapped and sealed into appropriate bundles for disposal			
All persons in the asbestos removal area will wear disposable coveralls and either a Class L or M disposable mask.

Please return completed form to:

Health Services City of Mandurah PO Box 210 MANDURAH WA 6210	Phone: (08) 9550 3746 (Health Services) Facsimile: (08) 9550 3888 Customer Services: (08) 9550 3777 Email: health@mandurah.wa.gov.au Office Location: 3 Peel Street, Mandurah
---	--

Prior to removing asbestos cement building products the surrounding area will have signs and barriers erected to warn of the danger and prevent unauthorised persons from entering			
Asbestos will not be left about the site where it can be further broken or crushed by machinery.			
The used disposable coveralls and masks will be placed in bags for removal with asbestos waste.			
All waste containing asbestos will be labelled or marked with the words "CAUTION ASBESTOS" (50MM HIGH LETTERS) and disposed of at an approved site in accordance with the Health (Asbestos) Regulations 1992.			

PROCEDURE FOR DISPOSAL OF ASBESTOS:-

I confirm the following:-

1. All asbestos will be transported by:-

2. The asbestos will be transported in the following manner:-

3. The asbestos will be disposed of at:-

4. A copy of the **disposal receipt** will be forwarded to the City of Mandurah's Health Services within twenty four (24) hours of disposal. (Fax: (08) 9550 3888 – Attention **Health Services** - Tel: (08) 9550 3746 or email health@mandurah.wa.gov.au).

Declaration

I understand the requirements placed upon me for the safe removal of asbestos by the relevant legislation and understand that I must take all reasonable measures to ensure that asbestos is handled safely. I understand that I will be committing an offence under the Health (Asbestos) Regulations 1992 if I do not take all reasonable measures when handling asbestos.
