Impact of facilitating an accessible and inclusive community

Seven Outcome Areas

1. Access to services and events
2. Access to buildings and other facilities
3. Access to information
4. Quality of service from the staff
5. Ability to make complaints
6. Participation in public consultation
7. Opportunities for employment

Co-design

Engagement with Community and City Officers

Opportunities to get involved in the new plan

Example of a strategy

Outcome 1:

People with disability have the same opportunities as other people to access the services of, and any events organised by, the City of Mandurah.

-
- 1.1 Develop and implement a communication strategy to ensure people with disability receive information about access to, and inclusion in, City services and events.
 - 1.2 Build the capacity of internal and external stakeholders to deliver accessible and inclusive projects and events.
 - 1.3 Ensure access and inclusion requirements are considered for every City-led event.
 - 1.4 Identify opportunities to provide inclusive services and programs for community members.
 - 1.5 Identify new funding sources for innovative projects and events that celebrate access and inclusion.

AIP Implementation Plan
