Sept/Oct 2017 Vacation Care
We are a fully licensed Vacation Care service for children aged 5 – 12.
Each school holiday, we plan exciting off-site excursions and in-centre activities.
Our large indoor and multipurpose centre is a perfect venue for exciting planned programs, and we have a range of sports, games, DVDs, arcade games, arts and crafts to keep the kids entertained all day.
We are a government approved child care provider and are able to offer the Child Care Benefit (CCB) or Child Care Rebate (CCR) to families that are registered with Centrelink. Please contact Centrelink Family and Parents Line on 13 61 50 if you wish to check your entitlement.
Programs run from 9.00am – 4.00pm, with children supervised from 8am – 6pm for working parents. Remember, if it is an excursion day children should be signed in by 8.45am, as the bus sometimes leaves at 9am.
$65/child per day (before CCB% discount). Sibling and weekly discounts also available.
To avoid disappointment, pre booking is essential. Call 9550 3950 now.
